FRANCIACORTA

Villa Crespia Selection

MURATORI RISERVA MILLÈ
FRANCIACORTA BRUT RESERVE

Pure **Chardonnay**, produced only in the most favorable years, when the grapes of the most important vineyards show the potential that a **long aging on the lees**, in some cases even over **100 months**, is able to bring to maximum expression. A brut with a very subtle dosage, consistent with a style that always wants to give maximum emphasis to the characteristics of the base wine. A wine of great **finesse** and **elegance**, complex and articulated, **powerful** but **delicate**, with a persistent and satisfying finish.
