

MURATORI
FRANCIACORTA

MURATORI FRANCIACORTA SATÈN

Satèn is an **exclusive wine from Franciacorta**, which stands out for the use of only **white grapes** and a **lower pressure** in the bottle that gives softer and **silkier** bubbles. Muratori Satèn is a wine that enchants for the balance between the **creaminess** and the softness of the entrance in the mouth, combined with an almost **electric**, pulsating and deep acidic vein that keeps the drink **fresh and pleasant** and encourages you to return to the sip. A combination of softness and tension that play in two very well-paced times. It expresses freshness, **elegance** and finesse given by the notes of white flowers and fresh fruit.
